

Welcome New Vista Ridge Members,

Thank you for your interest in the Vista Ridge - Erie Neighborhood Watch Program. Upon replying to the requested information listed below, we will either program your information into our new Phone Tree Answering System that will call you with a friendly-recorded message reminding you of scheduled meetings and upcoming events. In addition, we can also program your information into our Master E-mail Directory System that will send you information on Erie Crime Alerts, upcoming Erie Neighborhood Watch Community Events, and important Memos of interest. Alternatively, if you wish, a combination of both.

If you have any questions or concerns that you wish to have addressed please, call the Erie Police Department at 303-926-2800 or contact Ginger Owens, Director, Erie Neighborhood Watch Program at [ginger.owens@comcast.net](mailto:ginger.owens@comcast.net). Or you can visit us online at [www.ci.erie.co.us](http://www.ci.erie.co.us). Highlight Public Health and Safety/Public Safety Programs/Erie Neighborhood Watch Program for further information. Please, note upon your request, all questions or concerns will be addressed at the next monthly C.A.P.P (Community and Police Partnership) Meeting where we problem-solve on issues of Community concerns.

In addition, Krista Knapp, Vista Ridge Events Coordinator will be assisting in developing the Vista Ridge Neighborhood Watch Program. So please, return this form back to Krista at [kristanapp@vrhoa.com](mailto:kristanapp@vrhoa.com). Krista can also be reached at 303-926-7691 ext.14.

Finally, welcome aboard and Thank You for your time towards helping Erie become a safer place to live.
